Metal coated body  
 Electrostatic powder paint & varnish coated  
 Main Voltage 220-240V 50-60 Hz  
 3 & 5 phase tracks adaptors available

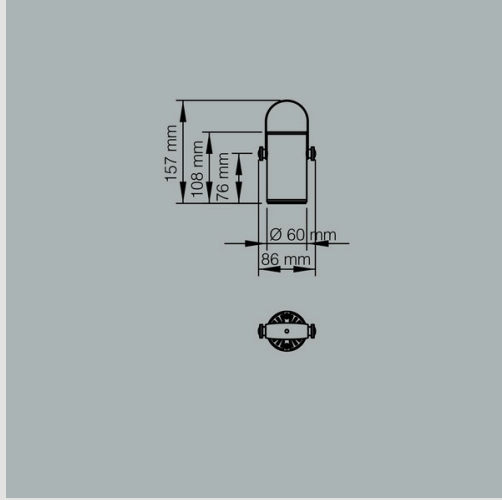

# NOVA

Metal coated body  
 Electrostatic powder paint & varnish coated  
 Main Voltage 220-240V 50-60 Hz  
 3 & 5 phase tracks adaptors available

## TUNA

Metal coated body

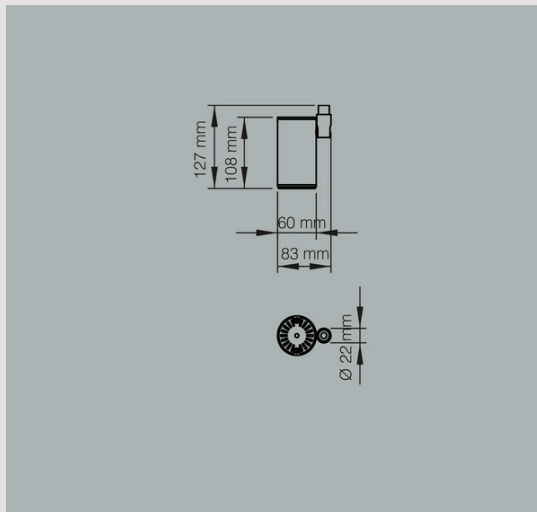

Electrostatic powder paint & varnish coated

Main Voltage 220-240V 50-60 Hz

3 & 5 phase tracks adaptors available

## TUNA- R

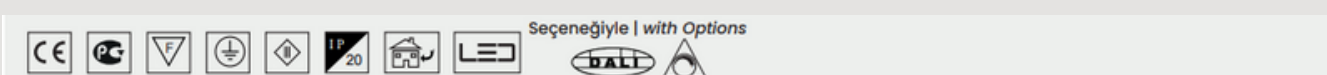

Metal coated body

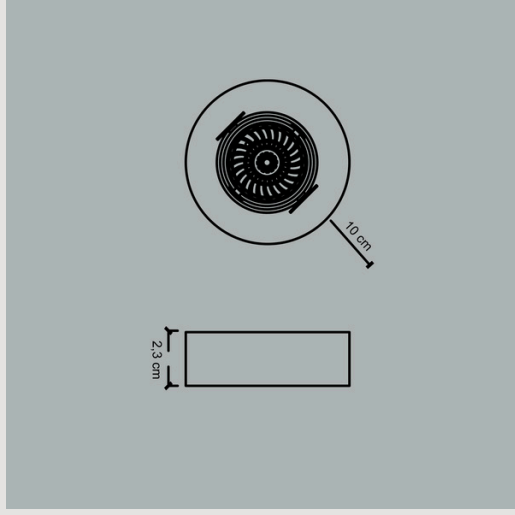

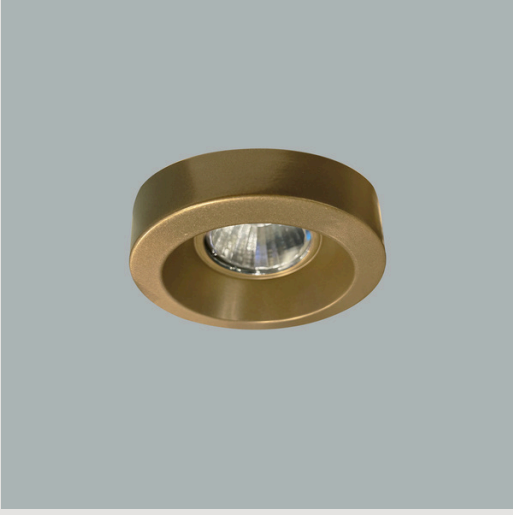

Electrostatic powder paint & varnish coated

Main Voltage 220-240V 50-60 Hz

Ceiling base for surface instalation

## ZARA 2.3

Metal coated body

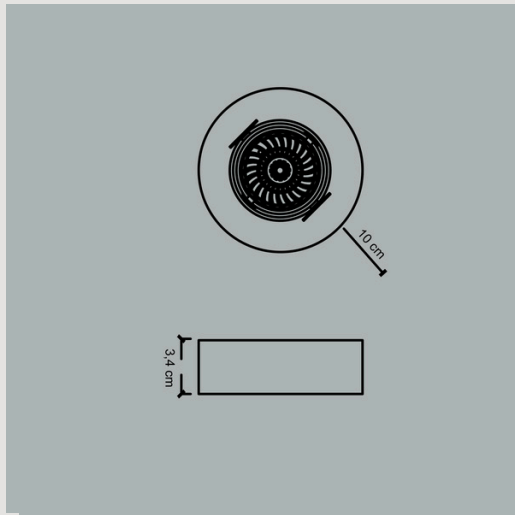

Electrostatic powder paint & varnish coated

Main Voltage 220-240V 50-60 Hz

Ceiling base for surface instalation

## ZARA 3.4

Metal coated body

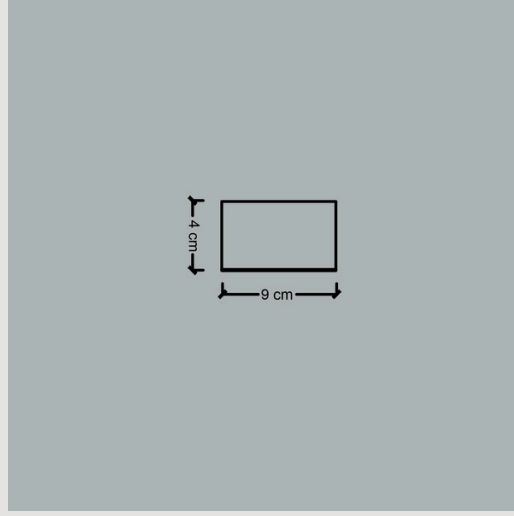

Electrostatic powder paint & varnish coated

Main Voltage 220-240V 50-60 Hz

Ceiling base for surface instalation

## SARA

Metal coated body

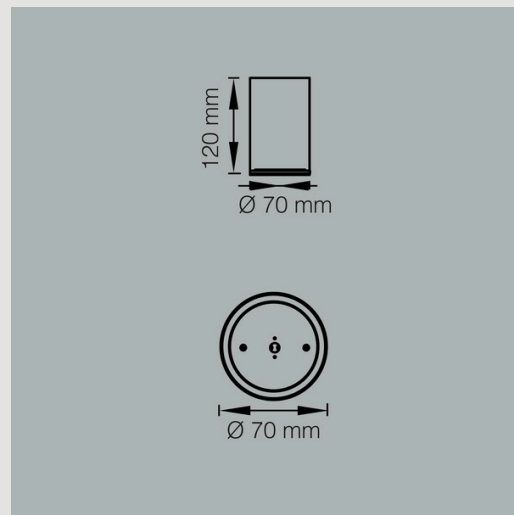

Electrostatic powder paint & varnish coated

Main Voltage 220-240V 50-60 Hz

Ceiling base for surface instalation

## ERA

Metal coated body

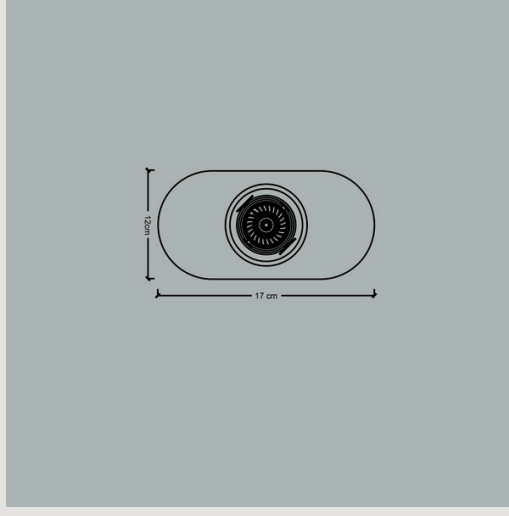

Electrostatic powder paint & varnish coated

Main Voltage 220-240V 50-60 Hz

Ceiling base for surface instalation

## ARYA -1

Metal coated body

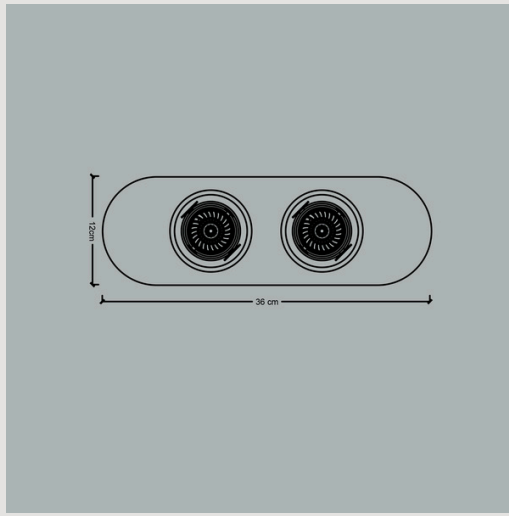

Electrostatic powder paint & varnish coated

Main Voltage 220-240V 50-60 Hz

Recessed lighting armature for gypsum ceiling

## ARYA -2

Metal coated body

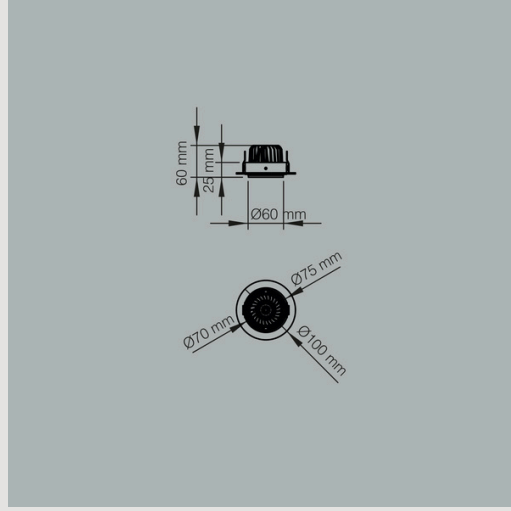

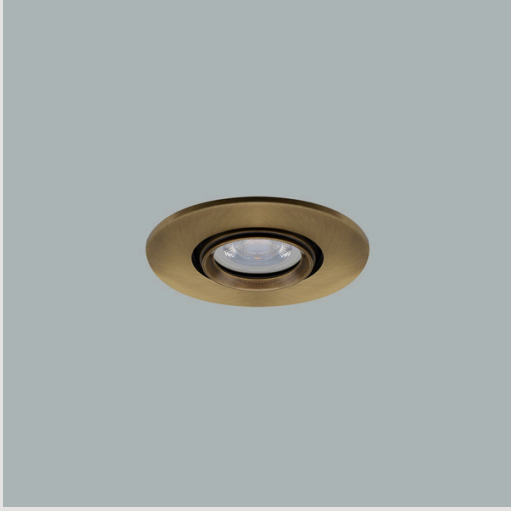

Electrostatic powder paint & varnish coated

Main Voltage 220-240V 50-60 Hz

Recessed lighting armature for gypsum ceiling

## VEGA

Metal coated body

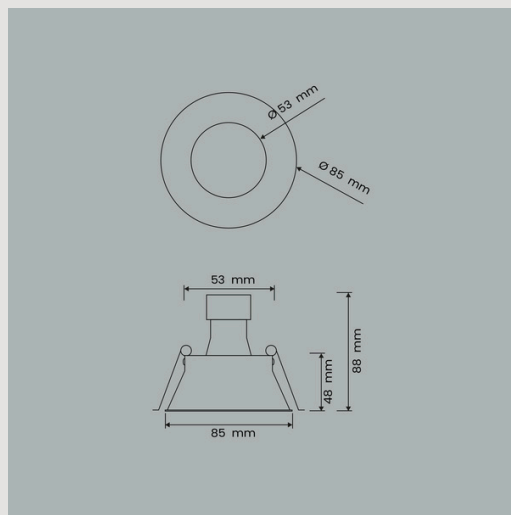

Electrostatic powder paint & varnish coated

Main Voltage 220-240V 50-60 Hz

Recessed lighting armature for gypsum ceiling

## KAYLA

Metal coated body

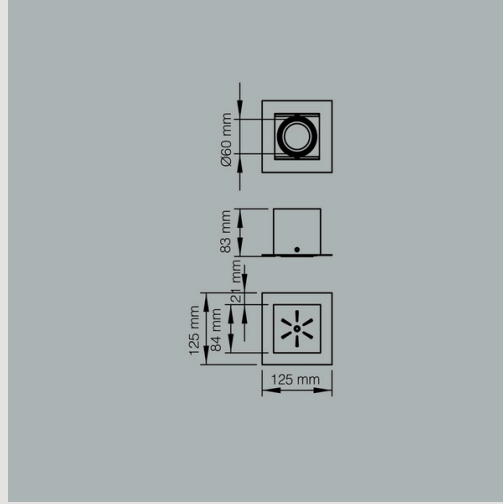

Electrostatic powder paint & varnish coated

Main Voltage 220-240V 50-60 Hz

Recessed lighting armature for gypsum ceiling

## LOTUS 1

Metal coated body

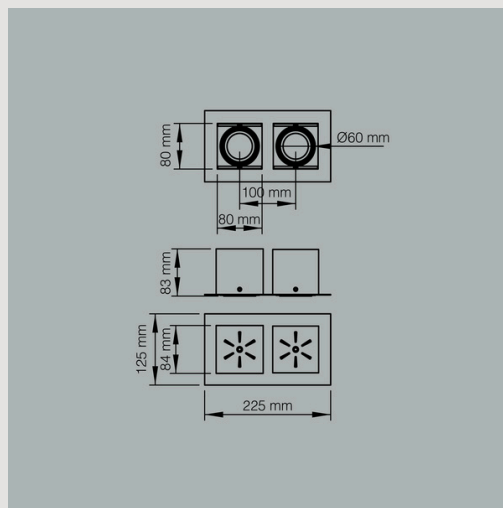

Electrostatic powder paint & varnish coated

Main Voltage 220-240V 50-60 Hz

Recessed lighting armature for gypsum ceiling

## LOTUS 2

Metal coated body

Electrostatic powder paint & varnish coated

Main Voltage 220-240V 50-60 Hz

Recessed lighting armature for gypsum ceiling
